

X-Yachts 46  
Build year 2005

Very well maintained X-46 from 2005, always been owned by the same person who has looked after the boat immensely well.

The boat is Italian owned (EU VAT is paid) and is located in the marina of Nettuno 50 km south of Rome. In the event of a possible organization of transport from Italy and up to the Nordic waters, our local Danish boat agent in Rome can help; A delivery can be arranged either over land directly from Rome, a combination of via water and overland (eg from a port in France), or exclusively via water.

**EUR 222,900,-**
