

Why pay full price for a whole new yacht when you can compensate your purchase by up to 75% over 7 years? You now have the opportunity to participate in an investment program like 250 other investors have already done, thus becoming a yacht in hot climate and blue water only two hours from DK and at the same time get the best return on your investment throughout the charter industry . Yachtbroker has successfully sold both Danes for the past three years, wishing to own or be a co-owner of both around the world. You have the owner's right of use throughout the course and ALT operation paid.
